

September 25, 1917.

Dear Sir:

Referring to our telephonic conversation this morning: I am sending herewith a copy of the U. S. Geological Survey Stehekin Quadrangle, on which I wish you would please enter the location of Bonanza Mountain and North Star Mountain, as indicated in Mr. A. F. Potter's letter, a copy of which is inclosed, and return to me as soon as possible.

Very truly yours,

Secretary.

Mr. E. E. Carter,  
Forest Service,  
Washington, D. C.
